

# COVID-19 SELF-EMPLOYMENT INCOME SUPPORT SCHEME

As there is such a large volume of information to digest in terms of support for businesses from the Government, as your broker we wanted to bring the below to your attention as we feel it is particularly pertinent.

This scheme for self-employed will allow you to claim a taxable grant worth 80% of your trading profits up to a maximum of £2,500 per month for the next 3 months. This may be extended if needed.

## WHO CAN APPLY

You can apply if you're a self-employed individual or a member of a partnership and you:

- have submitted your Income Tax Self Assessment tax return for the tax year 2018-19
- traded in the tax year 2019-20
- are trading when you apply, or would be except for COVID-19
- intend to continue to trade in the tax year 2020-21
- have lost trading/partnership trading profits due to COVID-19

Your self-employed trading profits must also be less than £50,000 and more than half of your income come from self-employment. This is determined by at least one of the following conditions being true:

- having trading profits/partnership trading profits in 2018-19 of less than £50,000 and these profits constitute more than half of your total taxable income
- having average trading profits in 2016-17, 2017-18, and 2018-19 of less than £50,000 and these profits constitute more than half of your average taxable income in the same period.

**If you started trading between 2016-19, HMRC will only use those years for which you filed a Self-Assessment tax return. If you have not submitted your Income Tax Self-Assessment tax return for the tax year 2018-19, you must do this by 23 April 2020.**

## HOW MUCH YOU'LL GET

You'll get a taxable grant which will be 80% of the average profits from the tax years (where applicable):

- 2016 to 2017, 2017 to 2018, 2018 to 2019

To work out the average HMRC will add together the total trading profit for the 3 tax years (where applicable) then divide by 3 (where applicable), and use this to calculate a monthly amount.

- it will be up to a maximum of £2,500 per month for 3 months.
- we'll pay the grant directly into your bank account, in one instalment.

## HOW TO APPLY

HMRC will contact you if you are eligible for the scheme and invite you to apply online.

You will access this scheme only through **GOV.UK**. If someone texts, calls or emails claiming to be from HMRC, saying that you can claim financial help or are owed a tax refund, and asks you to click on a link or to give information such as your name, credit card or bank details, it is a scam.

## OTHER HELP YOU CAN GET

The government is also providing the following additional help for the self-employed:

- deferral of Self Assessment income tax payments due in July 2020 and VAT payments due from 20 March 2020 until 30 June 2020
- grants for businesses that pay little or no business rates
- increased amounts of Universal Credit
- Business Interruption Loan Scheme

If you're a director of your own company and paid through PAYE you may be able to get support using the Job Retention Scheme.
